5 February 2015

Dear Parents

We would like to make you aware that we have a student in PrepW who has a severe nut allergy.

Please keep this in mind when packing your child’s lunch and speak with your child about the seriousness of this sort of allergy and its repercussions and that it is not good practise to share lunches.

Yours sincerely

Chris Anderson

Dear Parents

We would like to make you aware that we have a student in PrepW who has a severe nut allergy.

Please keep this in mind when packing your child’s lunch and speak with your child about the seriousness of this sort of allergy and its repercussions and that it is not good practice to share lunches.

Please consider this if you choose to bake for our class for your child’s birthday.

Yours sincerely

H. Great
Class Teacher
