23 January 2017

Dear Parents

Welcome to 1W. I look forward to working with you and your child this year. Throughout the year you will have both formal and informal opportunities to visit our classroom. Please embrace these opportunities as they give you an insight into your child’s progress and an understanding of what is happening in the classroom. Also your child will recognise that their education is valued.

This letter outlines some important aspects of our classroom.

- Please ensure your child is at school on time and try to limit absences and early departures. We have a very full curriculum and every minute is important. When your child arrives at school, please develop a routine of sitting in the eating area.

- If your child is absent please contact the office on 4751233 or write a note to me.

- Homework will commence in week 2.

- If you have any concerns please do not hesitate to contact me in person or by phone. If you need to talk at length making an appointment is advisable.

- Please label all belongings, particularly your child’s hat.

- If you are able to assist in the classroom, please contact me.

- Library borrowing is Thursday, starting week 2. (This may change but you will be advised if it does.

Looking forward to meeting you all

Debbie Markham
Classroom Teacher

Chris Anderson
Principal
